**Subject:** Fw: follow up from phone message for help with glyphosate cancer risk assessment

FYI, I just sent an email to Lynn asking if they needed primarily stats expertise or expertise in evaluating animal cancer bioassay studies. I think it's the latter based on this email she sent yesterday that I forwarded after talking with Karen.

Ron and Mary:

# Deliberative Process / Ex. 5

It's a great opportunity to collaborate with OPP on one of their health assessments. Thanks to both Ron and Mary for quick responses to my voice messages.  
I look forward to hearing final yesses!  
Thanks!
